## The Event

**With a little bit of this and a little bit of that and a good shake!  
It's tail o'clock!**

What better way to bring the team together than a private masterclass with a mixologist concocting some of your favourite beverages. Choose from cocktails, mocktails, coffees, blended juices or smoothies – design your own menu to get the teams taste buds tingling! Recipes & ingredient lists will be sent out to all participants before the session. Logon to your virtual platform and prepare to be blown away by the mixing pros at work!

Pay close attention to their handy tricks and flicks as you'll be up next. Follow the directions and get involved with mini tasks and competitions before everyone can sit back, relax and share a fabulous group cheers & screen selfie!

**You don't have to fly to fly! We've built a big portfolio of virtual incentive packages that won't just motivate and treat your teams, they'll create unforgettable experiences.**
