### The Event

#### Who needs to go out when we can bring the party to you!

Had a hard day? Missing seeing your work buddies? No better way than to end the day with a team virtual party, Live DJ, drinks and pizza! The whole team will logon to our virtual platform, kick back and listen to the tunes whilst everyone enjoys some drinks, pizza and a catch up. Everyone will receive a pizza or shopping voucher before the party time to shop/order their favourite treats & beverages. Why not theme your call time with fancy dress and decorations too! There's nothing like a party to raise a mood so go virtual and embrace the feel good party vibes together!

**You don't have to fly to fly! We've built a big portfolio of virtual incentive packages that won't just motivate and treat your teams, they'll create unforgettable experiences.**
