## The Event

Sometimes it's the simplest of things that can bring the most joy.

Set a time for tea and jump online together to enjoy a traditional Afternoon Tea that is delivered to your door. Tea & cake is always a winner and what better way to enjoy a range of tasty treats than from the comfort of your own home with your team on the screen. Why not add some fun into the mix with some live karaoke! Karaoke will help get the party started and gives everyone a chance to get involved. Get up, have a boogie & a cracking sing-a-long (after your scones of course!)

**You don't have to fly to fly! We've built a big portfolio of virtual incentive packages that won't just motivate and treat your teams, they'll create unforgettable experiences.**
